

Aviation Safety 2U

***We will be relocating
in August 2016***

On the 20th August we will be relocating to
Tauranga City.

We are downsizing from our rural lifestyle
property which we have loved but it will shortly
become a life sentence.

So our new delivery and office address will be

**30 Mortlake Heights,
Pyes Pa
Tauranga 3173**

Note that this does not occur until the
20 August 2016.

We will be able to keep phone number
NZ 07.5430075 but no fax #
Cell phone is NZ 0272806549

PO Box 3225,
Tauranga 3142 will remain.

***Has the world
has gone crazy
with murderous
actions of a few
crazy people. It
is unbelievable
that people can
murder innocent
civilians includ-
ing children in
the name of God.
We are fortunate
to live down-
under but I sug-
gest we are not
immune***

Fastfind 406MHz PLB

406MHz– *The Best ELT available now with a TEN YEAR WARRANTY*

The INTEGRA 406 MHz GPS ELT has already proven itself with the internal back up 406MHz antenna. The new INTEGRA 406 GPS ELT is the only ELT in the world that operates on the international 406MHz satellite search and rescue system, that integrates an internal GPS and 406MHz antenna. As a result of this the

INTEGRA offers the international flying community a number of major benefits over the standard ELT models that have been available. It is now available in 406AF, 406-AP and 406AF-H versions **PLUS** A Low Temperature version (-40C) that is now approved for commercial aircraft

NEW SWITLIK FAA Approved lifejackets –

Maximum comfort with the X-Back adjustment

ETSO CREW VEST
This is FAA approved and is now replacing many of the Mustang MSV971 units as it is 30% less expensive and one size fits all and designed to transfer the load away from your neck, a built in locator light & emergency whistle, two (2) front lifting strops for loads of 265 kg. Cover is a breathable Nomex. See next page for other Switlik products
